WELCOME TO OLFORD MOUNT UNIVERSITY

So many of our graduates and students say that the best thing out studying at Olford Mount University is the incredible advanced learning environment and support faculty members.

Olford Mount University is a leading International University committed to academic excellence through a unique online education management system (EMS). With high quality education, skills, dedication and commitment, we transform the lives of our students for a better future.

Bringing together over 96 PhD faculty members and students from across 100 countries, the University is regularly voted as the best online university.

No matter when or where you study, we're committed to helping you earn your degree. We put our students at the center of everything we do to ensure their success. That means you, too. You'll receive full support from the day you enroll until the day you graduate.

Choosing to study at Olford Mount University was one of the best decisions that I have made and I would surely recommend it to anyone. The University offers the best learning experience, offering high flexibility and affordability.

CAREER MANAGEMENT

Our first priority is to help you explore yourself, learn new skills, explore new career prospects and experience career transformation.

We help you unleash your potential and give you a competitive edge in today's job market. We enable you to think outside the box and gain valuable experience. Once you know your potential and area of study where you want to excel, you are ready to explore and choose study options at our University. Our career advisors help you find out the best academic program that matches your requirements

ALUMNI

Discover career resources and networking opportunities available to alumni through the University and Career Management Office.

EMPLOYER

Connect our Career Management Office to look for job posts, network with employers and gain access to review resume books and start hiring.

FINANCING YOUR WAY THROUGH THE UNIVERSITY

Oxford Mount University offers accredited & globally recognized Online Degree programs.

In 2015 we allocated more than \$50 million of scholarship funding to undergraduate, graduate and postgraduate students helping them enter the next level of their career and academic success.

For the coming year our board of directors intend to set a 50 percent increase in scholarship funds. Scholarship funds are allocated across different degree level programs for students.

Receiving a scholarship has taken care of students financial worries, so that students can concentrate on studying and working, making use of students technical and academic expertise. Students discover a whole new world of opportunities studying at this renowned University.
